

GETTING READY FOR BUDGET CONFERENCE

The House has already passed a \$69.2B budget. The Senate is scheduled to take up its budget and conforming bills in the hope of passing out their \$71B budget by February 24th. Conference will begin shortly afterward with the both chambers working to negotiate on the \$1.6B difference.

The Legislature has also passed their redistricting plan, which has been signed by the Governor and sent to the Florida Supreme Court for review. The Supreme Court has until March 9th to respond, which is the last day of session. Lawsuits are expected.

A SPECIAL SESSION OR EXTENSION MAY BE ON THE HORIZON

Should the Florida Supreme Court reject the current redistricting plan, it may be impossible for the Legislature to revise the plan in time to end session on time (3/9) potentially requiring them to extend session or return for a special session.

PRISON PRIVATIZATION FAILS

Dramatic to the very end, a coalition of determined senators were able to stop the privatizing of 30 facilities in 18 counties by a 19 to 21 vote. Also this week, Governor Rick Scott said Thursday announced he will explore his opportunities to privatize state prisons.
