Two new budget entities are: Community Interventions & Services and Community Supervision.

**(2) Utilize Secure Detention Only When Necessary**

• **Adjustment for State's & Counties' Share of Secure Detention Cost - \$898,300 (GR)/(\$898,300) (TF)**

– Requests an increase in GR funding and a decrease to the Shared County/State Juvenile Detention TF to cover the cost of youth detained in secure detention. The current utilization split between pre and post-disposition days in secure detention is approximately 74% and 26%, respectively. This realignment of budget adjusts the Counties' and State's share of detention from 75% to 74% and 25% to 26% and ensures that the counties and State pay their appropriate share of detention costs.

**(3) Strengthen Procurement, Contract Monitoring, & Quality Improvement Practices & Processes**

- **Additional Staffing for the Bureau of Contracts - \$219,110 (GR)** – Requests GR funding for 3.0 Governmental Analyst II positions to address the additional workload created as a result of the department using the Invitation to Negotiation (ITN) process to obtain services for at-risk and delinquent youth. Staff with specific expertise in procurement and negotiation is needed to strengthen the department's procurement processes.

**(4) Enhance Educational Programs**

- **Funding for the SEED School of Miami - \$125,000 (GR)** -Requests GR funding for college-preparatory, public boarding school whose primary mission is to provide an intensive educational program that prepares at-risk youth, both academically and socially for success in college and beyond. This initial funding will support Phase I of the project which will allow students to attend school part-time, two weekends per month in conjunction with a full week in the summer of 2013 and 2014.

**(5) Fixed Capital Outlay (FCO) – Repair & Maintenance - \$20.6M (GR)**

**Schedule VIII B-2**

**Total Reduction = (\$94,381,656)**

**GR – (\$17,302,529)**

**TF – (\$77,079,127)**

**(1) Detention Centers Re-Design – Eliminate Pre-Dispositional Detention Services (\$74.6M TF)**

- Closes seventeen (17) detention centers that provide pre-disposition services and retains four (4) detention centers to process post-disposition youth. The four remaining four centers will see increased health and transportation costs because of adding 24/7 medical costs and additional transportation demands.

**(2) Reduce Non-Secure Bed Capacity within the Residential Program (\$4.8M GR & \$2.5M TF)**

- Reduces 166 beds in the non-secure residential budget entity. Current bed capacity totals 2,085 and the proposed reduction represent an 8% loss. Absorbing the reduction will make it more difficult for the department to regionalize placements so youth may be close to their homes and families.

**(3) Eliminate Funding for Life Skills Workshops and Tutorial Services (\$0.6M GR)**

- Eliminates funding that was previously used to purchase life skills workshops and tutoring services that focused on values, drug use, self-esteem, and job placement to at-risk youth in targeted zip codes in Miami-Dade County.

Approximately 812 youth will no longer receive these services (based on average length of stay x number of slots).

**(6) Eliminate Funding for the Prodigy Cultural Arts Demonstration Project (\$4.4M GR)**

- Eliminates funding for the Prodigy Cultural Arts Program that provides a prevention/diversion forum for at-risk youth ages 7 to 17 to learn communication, problem solving and conflict resolution skills through visual and performing arts. Approximately 840 at-risk youth will no longer be served in seven (7) counties in Central Florida (Hillsborough, Manatee, Pasco, Pinellas, Polk, Sarasota and Orange).
